The Honorable Kay Granger
Chairwoman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Turlock's Golden State Sewer Extensions Project in fiscal year 2024. The entity to receive funding for this project is the City of Turlock, located at 156 S Broadway, Turlock, CA 95380. The funding would be used for much needed infrastructure upgrades, specifically sewer extensions to provide utility services to unserved properties and communities. The project is an appropriate use of taxpayer funds because it benefits low and moderate income communities, will increase the reliability of utility services to communities, and will allow for economic development and expansion due to new connections.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John Duarte
Member of Congress
