The Honorable Rosa DeLauro

1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Patterson's I-5/Sperry Avenue Interchange in fiscal year 2025. The entity to receive the funding is the City of Patterson, located at 1 Plaza, Patterson, CA 95363. The funding would be used to widen Sperry Avenue, reconstruct on and off-ramps, upgrade intersections to signalized controls, and widen the Sperry Avenue bridge. This project is an appropriate use of taxpayer funds because it will increase economic develop and sustainable growth, while improving safety for passengers.

The project has a Federal nexus because the funding is provided for purposes authorized by 23 United States Code 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John S. Duarte
Member of Congress
