The Honorable Kay Granger
Chairwoman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Turlock's Storm Drain Upsize Project in fiscal year 2024. The entity to receive funding for this project is the City of Turlock, located at 156 S Broadway, Turlock, CA 95380. The funding would be used for the replacement and upsizing of a major storm drain in the City. The project is an appropriate use of taxpayer funds because it will benefit low and moderate-income communities, protect businesses and residential home infrastructure, and will significantly reduce future costs incurred by not replacing the storm drain.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
