Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Madera County's SR-41 Expressway Project in fiscal year 2025. The entity to receive the funding is Madera County, located at 200 W. 4th Street, Madera, CA 93637. The funding would be used for the construction of a divided four-lane segment of road and stormwater detention basins. The project is an appropriate use of taxpayer funds due to its focus on enhancing transportation infrastructure and ensuring regional safety and mobility.

The project has a Federal nexus because the funding is provided for purposes authorized by 23 United States Code 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John S. Duarte
Member of Congress
