The Honorable Kay Granger
Chairwoman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rose DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Mendota's Mendota Pavement Management Project in fiscal year 2024. The entity to receive funding for this project is the City of Mendota, located at 643 Quince St., Mendota, California, 93640. The funding will allow the City to begin rehabilitation of roads and leverage additional grant funds to get roads in the city back to a passing grade and include road diets where appropriate. The project is an appropriate use of taxpayer funds because it will benefit low and moderate income communities, protect businesses and residential home infrastructure, and will significantly reduce future costs incurred by not resurfacing and maintaining roadways.

The project has a Federal nexus because the funding provided is for purposes authorized by USC 5305(a)(4);

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John Duarte
Member of Congress
