Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Joaquin County's Corral Hollow Bridge Replacement Project in fiscal year 2025. The entity to receive the funding is San Joaquin County, located at 44 North San Joaquin Street, Stockton, CA 95202. The funding would be used to replace a bridge along and modifying portions of Corral Hollow Road across Corral Hollow Creek to provide safe and reliable access for goods and the community. This project is an appropriate use of taxpayer funds because it will reduce the risk of flooding, enhances safety for the community, and improves access to critical national infrastructure.

The project has a Federal nexus because the funding is provided for purposes authorized by 23 United States Code 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John S. Duarte
Member of Congress
